UOWGE GLOBAL COLLABORATE CONFERENCE NOVEMBER 2021

We are excited to announce that UOWGE will be hosting our first global conference across three days this November!

The conference theme is **Global Collaborate**, celebrating collaborations across our entities and reflecting on the potential for future collaborative projects.

Each day will focus on one of three strands:

- Research collaboration
- Collaboration in teaching & learning
- Student & staff mobility among our entities

You can look forward to presentations & panels exploring current projects and future possibilities. Keep your eye out for more information on this first conference, which we hope will become an annual event!
